

Use and storage of your personal information

When you supply any personal information to Atlas B2B (e.g. for quote or order requests, B2B agreements, contact details) we have legal obligations towards you in the way we deal with that data. We must collect the information fairly, that is, we must explain how we will use it (see the notices on particular web pages that let you know why we are requesting the information) and tell you if we want to pass the information on to anyone else. In general, any information you provide to AtlasB2B will only be used within AtlasB2B and by its service providers. It will never be supplied to anyone outside AtlasB2B without first obtaining your consent, unless we are obliged or permitted by law to disclose it.

We will ensure that all personal information supplied is held securely, in accordance with the Data Protection Act 1998.
